

Lack of updates

Saturday, 30 November 2013

Sorry to all that it's been a long time since the site's been last updated. Much of my G.I. Joe time lately has been devoted to one thing: my book, *Fighting for Freedom: The Unauthorized G.I. Joe Chronology*, which will be coming later in 2014 from Hasslein Books. This site will be getting more attention, eventually. There may be a refocus of the site, aiming to be a complete guide to the Marvel/DDP era of Joe, along with Hama's new IDW series. Catching up on the new IDW series would be difficult now. Stay tuned!
