

Assault Quad

Wednesday, 27 February 2008

ASSAULT QUAD. A four wheel drive all-terrain vehicle used by the reinstated G.I. Joe team. The Assault Quad can reach maximum speeds of 85 mph road and 60 mph cross-country. It features modular mission-specific weapons pods, including two 7.62mm machine guns and ten bay box missile launchers with short-range surface-to-surface fragmentation missiles. It also carries a hidden grill-launched incendiary missile.
