

New Vintage Comics section

Friday, 20 February 2009

The site's new Vintage Comics section is now open. This includes a brief look at the 1940s "G.I. Joe" comic strip, as well as a very long and detailed look at the old Adventure Team comics released by Hasbro in the '60s and '70s. That section comes courtesy of Derryl DePriest and the G.I. Joe Collector's Club.
