CLEAN-SWEEP. The code name used by U.S. Army Corporal Daniel W. Price, member of the Eco-Warriors. Clean-Sweep was born in Elizabeth, New Jersey. The Eco-Warriors were formed to stop threats to the environment. In their first assignment with the Joes, Clean-Sweep and Ozone were lead by Flint, who was temporarily reassigned. The three Joes had to stop former a Cobra agent, Cesspool, from polluting the ocean using toxic chemicals and an abandoned oil platform. Flint left the team shortly thereafter. The Eco-Warriors' subsequent missions remain classified. Like most former Joes, Clean-Sweep is a reserve member of the current incarnation of G.I. Joe. He served in Syria during the conflict known as World War III.

One of many Joes listed on the World War III member assignment map first seen in AE #28.
