BULLHORN. The code name used by U.S. Army Sergeant Stephen A. Ferreira, born in Providence, Rhode Island. Bullhorn was formerly a hand-to-hand combat instructor at the FBI Academy in Quantico, Virginia. He later worked with the G.I. Joe team before it was shut down in 1994. As an intervention specialist, he negotiated with criminals and terrorists, but was always ready to respond with force if necessary. Today, like many Joes, Bullhorn is a reserve member of the team. Bullhorn was stationed in China during the conflict known as World War III. One of many Joes listed on World War III member assignment map first seen in AE #28. (AE 25 (cover); Figure: 1, 2)
