STATIC LINE. The code name used by U.S. Army Sergeant First Class Wallace J. Badducci, born in Chicago, Illinois. Badducci is a demolitions expert, whose specialities also include aircraft maintenance. He worked with the G.I. Joe team before it was shut down in 1994, as a member of Sky Patrol. Today, like many Joes, Static Line is a reserve member of the team. He was stationed onboard the U.S.S. Flagg during the conflict known as World War III. One of many Joes listed on World War III member assignment map first seen in AE #28.
