

## Stone, Lt.

Thursday, 09 December 2010

LT. STONE. A British intelligence agent who has worked with the reinstated G.I. Joe team. Stone is a spy, pilot, code-breaker and master of disguise. Today, like many Joes, he is a reserve member of the team. While serving in England during the conflict known as World War III, Stone and other Joes helped defend Britain's nuclear weapons from the Iron Grenadiers. One of many Joes listed on World War III member assignment map first seen in AE #28.

Lt. Stone was part of the G.I. Joe: Sigma 6 toylines, and appeared in the Sigma 6 cartoon series. Another character named Lt. Stone was the leader of the futuristic Joes in the G.I. Joe Extreme toy line and cartoon series.
