CROSS HAIR. The code name used by U.S. Army Corporal Don G. Fardie, from Brockton, Massachusetts. Cross Hair is a skilled infiltrator and sniper, having an amazing ability to remain undetected in the field, blending in with his surroundings. He also serves as an Army marksmanship instructor. Cross Hair was assigned to the reinstated G.I. Joe team, and in his first mission helped in the fight against terrorist Tyler Wingfield. He was later one of the many Joes to take part in the battle against the forces of a revived Serpentor on Cobra Island. He later helped guard Destro as the recently-arrested weapons dealer was transferred from the Joes' custody to the United Nations' for trial. Like most former Joes, he is currently a reserve member of the team. He fought in Uzbekistan during the conflict known as World War III.

One of many Joes listed on the World War III member assignment map first seen in AE #28.

Cross Hair was the first character from Hasbro's resurrected line of G.I. Joe action figures to appear in the comic.
