

Joepedia - The G.I. Joe Wiki

Monday, 11 July 2011

Here's a quick reminder about Joepedia - The G.I. Joe Wiki. There's a small group of users over there who are working hard on the site, but any wiki needs lots of contributors to make it work. Why not head over and see what you can do? This site is focused on one aspect of G.I. Joe, while the Joepedia intends to cover it all. Take a look and see if you can lend a hand.
