

Star Wars Fanboy Association - Multiverse update and new SWFA releases

Written by Administrator

Saturday, September 7, 2013 - Last Updated Saturday, September 7, 2013

It's been a long time since our last update, so here's something new for anyone still paying attention...

[The Star Wars Multiverse](#) article by **James McFadden** has just been expanded to 25 entries.

Over on the Star Wars Blog, James' "

[Convenient Daily Departures: The History of Star Tours](#)

" article has been posted, as well as two parts of

Rich Handley

and

Abel Peña

's three-part series "

[Barely Tolerable: Alien Henchmen of the Empire](#)

." October will bring us the book

[The Bounty Hunter Code: From the Files of Boba Fett](#)

, written by

Ryder Windham

,

Daniel Wallace

and

Jason Fry

, while November brings Ryder's

[Death Star Owner's Workshop Manual](#)

.
