

Star Wars Fanboy Association - Another Multiverse Update

Written by Administrator
Sunday, June 15, 2014 -

In recent months the announcement of the changes in Star Wars continuity that make the movies and new television series the real "Canon" and designates the Expanded Universe continuity as "Legends" was a big deal to the SWFA members. Opinions on the move vary, but the inevitable changes have now been added to James McFadden's [Star Wars Multiverse](#) article, along with two video games,

Angry Birds Star Wars

and

Tiny Death Star

.
