

Just over ten years ago, [JMM's Star Wars Chronology](#) appeared online, and not long after, the e-mailing list that would eventually become the SWFA

began. This is the first of a number of updates that we thought would be a good idea to start posting again...

New material includes an essay by Abel Peña titled [Star Wars vs. Lord of the Rings](#) and two guest articles: the sixth

[Glove of Darth Vader](#)

review by Adrick Tolliver and

[Into the Unknown](#)

, the first part of a discussion about the Unknown Regions by Matthew Trias. Also, we have a unique look at some original art from Marvel comics

Star Wars

#48, "

The Third Law

". It's a layout page, which was a detailed sketch by writer Larry Hama that was used to write the story. Carmine Infantino used Hama's layouts as a guide for his artwork in that issue.

[Check it out here](#)

. Thanks to Larry Hama for providing the scan!

In addition to those updates, most of the older article pages have been given a facelift, giving them a more uniform look, and in some cases, adding an image or two.
