The official site has a feature giving a glimpse inside [The Complete Star Wars Encyclopedia](#), created by a number of writers and collaborators including **Pablo Hidalgo**

,
Dan Wallace
and
Bob Vitas

. The immense tome is due in stores December 9th.

A new article just released on StarWars.com' Hyperspace -- [Castaways of Endor](#) -- was written by Dan Wallace and

Amy Pronovost, with illustrations provided by Amy, as well.
